MEMORANDUM FOR: Director of Administration 15 November 1955

THROUGH : Deputy Project Director

SUBJECT : Administrative Plan

I have received but have had time only to glance through the administrative plan submitted by you as annex 2 to the over-all project plan. I have not studied your annex with sufficient care to know whether a part of it may be copied as a separate paper on policies and procedures concerning the overseas movement of personnel in a form suitable for dissemination to contractors. If not, I assume you have the preparation of such a paper on the agenda. I would appreciate if you would let me know at our next staff meeting by what date such a paper may be expected.
